May 23, 1913 - July 9, 2010

Laura Marie Chindgren Borg, was Milt and Ruth Chindgren's second daughter, born in Meadowbrook, OR, May 23, 1913. With her three sisters Laura grew up on the family farm. After graduating from Molalla High School she got her first taste of the work world with the Danielson grocers, from 1932-36. She moved to Portland to continue her career. She began attending Emmanuel Lutheran Church where she met the Borg sisters from Montana. Laura made an impression on the sisters, so much so that they sent a picture of her home to Menter. After seeing the picture Menter was determined to move to Portland to marry Laura. They were married January 19, 1941. Starting their family with Michael born July 21, 1942. Laura then served as a burner in the shipyards during WWII. After the war ended she returned to her life as a devoted loving Mom of a growing family. Janice came May 27, 1946, Alyce lived one day born March 13, 1947, and Kathleen was born March 8, 1951.

Laura's life became very spiritual at a tender young age of 7, never turning away from God's love. She had many spiritual experiences with Jesus over the years deepening her love for the Lord. She always wanted to share her faith with everyone and has her entire life.

Laura also was given a gift from above to play the piano without lessons, and used her talents for the Lord in churches all of her life. It was a ministry that she truly loved to praise the Lord with until the end of her life.

Laura, Mom, Grandmother, and great Grandmother will be sorely missed but we know our eternal hope is to see Mom again one day in heaven with our blessed Lord and Savior Jesus Christ.

“ *Kathleen, we have been so proud to pray for your mom, that she be allowed to make this last journey with you all at her side. The mercy and love of our Lord is truly amazing, and we will continue our prayers for the safety and well being of all your family as you assemble to say 'goodbye' one last time. God love you all!Jim&Christal*
