“ *I'm heartbroken to see this news about Leslie . . . And my heart goes out to his family and friends.*

We were friends from junior high in Butte (where we started a rock band that won the State Battle of the Bands in Great Falls) and stayed in touch through college after he moved to Idaho. His parents and family were wonderful, and unfortunately his father was also taken much too soon from this earth.

Leslie always had an upbeat spirit and a silly sense of humor. He was a kind soul and a fine trumpet player.

He'll always live on in the hearts and memories of those who knew and loved him . . .

Thank you Laurie, as our loss has been difficult for all of us as well...even to this day I can't believe he is gone.

I remember back when we lived in Butte and you both played in the band Evolution. I pulled those photos out and did some reminiscing. Not many people knew about his musical talents, as we had a lot of fun in marching band during college. We even had Dan Bukvich from Butte as our director while going to U of Idaho.

Thanks for your kind words and appreciate you reaching out.
