“ *I am sorry to hear of your loss. Your wife, mother, and sister was a wonderful woman. I remember when I first started working with her at Lazy S., she was so patient with me and always had a big smile on her face. She would talk about her family and share how proud she was of each of you. The treasures she found while garage shopping were always fun to hear about. I know she is in her room in the mansion she calls home now smiling down on all of you. Heaven is a fantastic place and I will enjoy seeing her there someday.*
