“ *My condolences to the family of Marcia Craig (Kaller). Reading her obituary brought back memories of growing up in Longview with a Marcia Kaller, parents Bill and Joy Kaller, who lived on Country Club Road. If your mother/grandmother is this Marcia Kaller, I have some wonderful memories of those early years. I would be happy to share them if you want to contact me Email: terry@thehuberfamily.com or Phone: 503-638-2707.*

Again, my sympathies to all of her family.
