“ *Aunt Marian was a precious and wonderful Lady. She sent us emails everyday w/a scripture, even when she was in her early nineties. We only saw her in person 2 or 3 times. We moved in 2007 and I am so sorry that I lost contact with her. I tried several times to no avail. She has made her goal now; she is in heaven. I am so thankful we were privileged to meet her and become part of her life for a while. What a joy she was to our life. Much love and blessings, Billy & Sharon Cardwell*
ps. My Dad, Clayton Moore, was Uncle Claude's older brother.

“ *We visited with Marian and Bill many years ago in San Antonio. She visited us in Alabama and we returned the visit to Modesto. She was a most delightful person. We will always have fond memories of her anytime her name is mentioned. She sent us many Godly messages. Her place in this life cannot be filled with a simple expression.*
Phyllis, perhaps sometime we can meet with you. She spoke of you lovingly.

“ Dear Aunt Marian was a joy to know! She regaled us often with stories, and poems, and jokes, and we were always impressed with her sunny optimism and her kindness. We shall always remember her with great fondness.

“ Aunt Marian was one of the most loved, energetic, happy, helpful, and beautiful women of this world. She will be greatly missed and thought about often.
