“ *Miss Ruzicka was my first very memorable teacher in the Portland Public schools. She taught me years ago at Joseph Lane. I was in awe of her confidence, and loved how tall she was, wishing I could be that tall 'when I grew up'*  
*She was always cheerful and fun.*  
*I've often wondered about her. I'm 60 next week and still hold her dear to my heard.*  
*She was a wonderful woman. I'm sure her family greatly misses her.*  
*Bless you Miss Ruzicka*

“ *Mary Ann was great friends with my mother, Jill Lokting Schroeder, and another family friend, Eileen Rose. The three of them, all educators, had a friendship that lasted decades. They enjoyed traveling together, eating dinner at one another's houses, and sharing books. My mother passed away in 2004; Eileen passed away in 2015; and now Mary Ann, the last of the triumvirate, is gone. How blessed they were to have had each other!*

“ So sorry to learn of Mary Ann' s passing. I had just seen her name in the Peru State newsletter as a donor and had no idea where she was so I decided to look her up on Facebook then did a search on the internet and found her obit....just a couple weeks ago that she passed. So sorry that I missed connecting with her. We were roommates for while in Omaha after college. My sincere sympathy to all her family.
