

Micah Ray Giles

March 13, 1965

Micah Ray Giles, 59, unexpectedly passed away on May 10, 2024, in Portland, OR from natural causes.

Micah was the youngest of four children. Born on March 13, 1965 in Portland, OR to Marvin Giles and Caroline Johnson Giles.

High School was a struggle for Micah, but he persevered and earned his GED. Although book learning was not easy, hands-on learning gave him the experience he needed to move into the world of construction and eventually go to work for his brother Shawn, as a low voltage data line installer. Micah could fix most anything. He was a hard worker and didn't seem to have a slow pace. He would run from one task to the next. In his spare time, Micah did yard maintenance for his family and neighbors. He was often contacted by others who saw his hard work and would hire him to help with their yards or projects.

Family was very important to Micah. He loved being with them and would do whatever he could to help them. Besides being with his family, Micah loved to fish, enjoyed camping, going to the beach and spending time with his friends. Micah was known for his beautiful blue eyes that were often hidden behind thick eyeglasses that he hated. Because of poor eyesight since birth, Micah had to wear glasses at a very young age. When he got older, he began

wearing contacts until continual eye infections forced him back to wearing thick glassed eyeglasses. We will miss seeing his bright blue eyes, his energy, his sense of humor, his generous nature and mostly his love for family.

Micah is survived by Penny (Kim) Jones - sister, of Lincoln City, OR and Shawn (Kelli) Giles - brother, of Milwaukie, OR.

Micah is preceded in death by Marvin Giles - father, Caroline Johnson Giles - mother, Barry Giles - brother.

A private graveside service for the family of Micah Giles will be held on May 17, 2024 at 11:00 AM at the Redland Pioneer Cemetery.

Any flowers can be delivered to Hillside Chapel in Oregon City by 5:00 PM Thursday, May 16, 2024.

“*Micah was a good close friend. Very thoughtful. He came to my house to swim a few times. But his most thoughtful gift to me was he gave me a few things that i could do on a long road trip from oregon to utah for my grandpas funeral. He wanted to walk me home from middle school but my mother wouldn't let me do that. Great caring fun friend. I am so sad to hear of his passing.*
