“ *Mike, I have many wonderful memories of our time together in Ashland sooooo many years ago. What a pleasure it was to meet you again at the AHS reunion. Your passing has caused a "never to be filled" emptyness in my and Susies heart. God Speed!*

“ *My visit to Oregon last year was punctuated by Mike. He drove Judy and me around to our hearts content and had the patience of Job. What a sweet man he was to welcome a stranger like me into his home.*

“ Daddy - I love how you always watched cartoons with me and tried to teach me how to pronounce the letter "R" - I remember waiting in the car with mom and david while you got off work at safeway. I feel you are with the lord and all his glory; I miss you dad but I know I will see you again in heaven thanks to jesus christ. I love you daddy.

“ So very sorry to hear about your husband, father, grandpa Michael had passed away. We have never met before. But I still know in Christ that Michael was an Saint on Earth with you and the rest of your family. Michael let the Lord guided him to do God's work and to spread the word of Christ through his life. Now the Lord had called him to be an Angel in Heaven to sit on the right hand side of the Lord. This is such a very beautiful reward that the Lord had given Micheal for his earthy deeds to be in Heaven with God and have eternal life. Michael will be missed by you and your family and friends. We will all meet in Heaven one day ourselves. Our condolences and deepest sympathies goes out to you Judy and your family. You will be in our thoughts and prayers forever and always. It is such an blessing and honor for me to meet you. God Bless you all.

Carter from Bismarck, North Dakota.

“ I loved you Uncle Mike and I have nothing but respect for you and Aunt Judy. You guys thoughtfully opened your home to us 30 years ago so that our family could move from Alaska to California. If it wasn't for your generosity, us three kids would have never met our spouses, and our lives would be totally different today. Your laughter and kindness will definitely be missed. Say hi to grandma for me - I miss her lots! Luv Debbie

“ Mike is my favorite uncle. I have so many good memories of him from when we lived with you in California and when we would visit you guys in Oregon. Art has a lot of strong feelings for uncle Mike too. He remembers working with him on his truck while visiting. And he loves the joke he told in the hot tub at your house. Mike helped make us kids who we are today. His spirit will live on in our hearts forever. We love you Judy, David, Kris and Lori. We'll see you tomorrow at the Celebration of Life.

“ Uncle Mike was one of my most favorite people. I spent most of my summers with him from the time I was 12 until I was 17. I have a ton of fun stories, ranging from fishing trips to inner tubes rides down the Clackamas. He will be sorely missed, but I know his memory will forever live on in how I interact with my nieces, nephews and my own kids. I love you Mike!

“ Our prayers are with you and the family, Judy. Mike is with the Lord now, for the Bible tells us, "to be absent from the body is to be present with the Lord". Be comforted with these words. We pray that the Lord's Warring, Ministering, and Protective Angels surround you in this time of sorrow/gladness in your life. Sorrow that Mike is gone, yet glad he is with the Lord and in no pain but blissful peace.
