

Michael Steven Nehez

February 2, 1956 - December 4, 2024

Michael Steven Nehez, a devoted father, loving brother, and cherished friend, passed away on December 4, 2024, at the age of 68. Born on February 2, 1956, Michael lived a life full of love, hard work, and dedication to those around him.

Michael built a remarkable career at Portland General Electric, where his diligence and organizational skills left a lasting impact. Beyond his professional life, Michael was a man who truly cherished the great outdoors. Whether hunting, golfing, or simply enjoying time with family and friends, he found joy and fulfillment in life's simple yet meaningful moments.

He will be remembered for his unwavering work ethic, his meticulous attention to detail, and his deep love for his family. Michael's legacy lives on through his sister Margaret Thorpe, brother Steven Nehez, son Joseph Nehez, and grandson Ian Nehez.

A celebration of Michael's life will be held at Hillside Chapel in Oregon City on January 17th at 11am.

“ Mike was such a wonderful neighbor and friend. He was always eager to share with us his culinary delights. During covid and bad weather times he made sure to check on us and ask if there was anything we needed. We wish you peace. We will miss you.

“ I'd like to express my condolences to the entire family of Michael Nehez. His passing came much too soon and I will miss our lengthy telephone conversations greatly. I first came to know Mike on the playground at Dover Elementary school in Westlake, Ohio back in the 1960's. Our playground friendship was interrupted after a couple years when Mike was transferred to the new Bassett Elementary school only to be renewed upon our graduation to Junior high school. Once in junior high we spent time rooting and talking about the Cleveland sports teams and pondering the world in only the ways adolescent males could in that era. In high school we were lucky enough to be assigned to the same class for Drivers ed and were assigned the Saturday morning student driving slot. 4 hours of driving around alternating actual driving with "observation" with an instructor in the right front seat. We became better acquainted and our interests further aligned in the way of sports, school, and the usual youthful shenanigans. One of my fondest memories of Mike and our mutual friend Steve was going ice skating, after school, at the Rocky River rink. After High school and Mike's move west we lost immediate contact but fortunately our mutual friend Steve kept the connection alive. In the last few years Mike and I would converse about old times several times through the year. I will truly miss our conversations. The world is a lesser place without Mike in it. Again my sincerest condolences.

When I met Mike at Clackamas Community College in 1982, his handsome, clean cut looks caught my eye. When he told me he was fresh out of the Marine Corps, I was smitten. We were engaged after 3 months and married a year later. Mike, I want to thank you for the 13 years of good times we had, including all our travels and adventures with Rocky and Tasha. These Malamutes were our fur babies for 7 years before we decided to have our amazing son Joseph in 1990. You were a devoted and loving husband, father and friend. You are very much missed and I wish you comfort and peace.

Love, Carolyn

ST

Mike, You will always be in my heart. You were a devoted friend and sports buddy. Long live the Cleveland Indians. I will remember all the good times, the skating, the jokes, the reunion at the ballpark in Cleveland as part of the Indians Fantasy Camp. Cleveland sports fans are missing a great part of our sports family. You were a great friend and patriot who served our country in the United States Marine Corps. I will always miss you. God grant you eternal rest, peace and serenity.

Your fellow Hungarian friend,

Steve Temesvari
