“ *Mayme will be very much missed! She is a special lady. I hope that my children and I have the same love that Mayme had with her son and family. Right to the end she was full of smiles and love. She always had a kind word to say about every one! Mayme was one of the first people to welcome me to my new job. The community that she was living in will never be the same with out her or Don being seen daily. My thoughts and prayers are with all of her family and friends. SHE WILL BE MISSED AND IS LOVED DEARLY!!*

“ I was one of Mayme's Caregivers at McGloughlin place, I Will miss her so much. She was a wonderful, very caring and loving woman. Her and I shared a common thing in our life and that was that we both had worked at West Linn Thriftway, so right from the moment I met her we shared that and it also turned out that her family knew most of my family but we never had met before me starting a new job there. I will truely miss her, and going into her room and listening to counrty music with her, and laughing with her, and of course her beautiful beeds. She was an insperation as a mother and as a woman to me, and I will never forget our Mayme. God Bless you Mayme.
