“ Sad to hear of your mothers passing. Always been a part of our lives. Many fond memories, picnics and parties with The Cletus Dench, some of my favorite times camping on the Metolius River. The Garoutte's and us were almost like one big family, miss all those times growing up together. Know she is in a better place now along with all our parents making it to their nineties was quite a feat. My condolences to you three girls.
