“ *Pat was a spunky woman who always had a strong bond with her family. Her love for Norm was one of her defining characteristics, even to the end. Norm and Pat's legacy is the strong family that I am lucky to be part of.*

“ *She was a complex woman... I feel blessed to have had her as my mom! She was smart, strong, funny, stylish, and a champion for women. She had more stamina for shopping than any person I know... she could "shop me under the table"! She was wildly loyal, loved her husband, her daughters and grandchildren!*

“ *I'm so sorry to hear of Aunt Pat's passing. She was very special to me, and I will never forget how much she helped during an especially difficult ime when I in was in college. She will be missed.*
