

Rebecca Sue Newman

January 1, 1963 - December 15, 2021

Rebecca Sue Newman of Milwaukie, OR passed away unexpectedly on December 15, 2021 at the age of 58. She was born in Fairfield, CA on January 1, 1963 to Daniel and Louise (Salzwedel) Brown. She moved to Portland as a small child and spent most of her life in the Portland/Milwaukie area where she met her husband, Rob.

Becky was a housewife and took care of two of her grandsons during the day. Her favorite moments were the times spent with family and doting on her grandchildren. Her children and grandchildren were her greatest accomplishments and meant everything to her.

She will be remembered for her unconditional love of people and kind heart. She always put others before herself. She was called “mom”, “auntie”, or “sister” by those who were fortunate to get to know her and see what a beautiful person she was.

She will also be remembered for her love of 80’s metal, especially Def Leppard her favorite band. She loved to crank up the music and dance with her babies. She had a great sense of humor, an infectious smile, and could make all those around her laugh and feel welcome. She left a lasting impression on everyone she met and will be greatly missed.

She is survived by her husband, Rob; her children Steve Tubbs, Dani (Joey) Blanchard, and Alyssa (Josh) Miller; 5 grandchildren Joe, Cohen, Jasper, Miro, and Jocelyn; her parents; two sisters, Bonnie Brown and Judy (Steve) Claus; and several nephews, nieces, aunts, and uncles.

“ *I've known the Newman's 10+ years now.. I remember the first time Alyssa and I had our play date and our moms told us not to go outside on the trampoline that day cause it was pouring down rain and us being of us, course we did. I can remember the looks on our moms faces when we came inside soaking wet lol. Ever since then Alyssa and I were hip and hip and I gained a second momma. Growing up with the Newman's has been one of the biggest blessings life has ever given me and I couldn't thank rob and Becky enough for inviting me into their family and treating me like one of their own.*

Becky was the most loving, generous, funniest, selfless women I have ever had the pleasure of knowing. She had the biggest heart, and would do absolutely anything for the ones she cared about. I am so thankful for all the fun and happy memories that I can cherish with this family. Heaven gained a beautiful angel. ❤️❤️ Rip, I know you're still rockin' up in heaven. ❤️❤️

“ Ever since I was born my Uncle Robby has been like the father I never had, we always had a strong bond, I always felt I could talk to him when I didn't feel I could talk to others. When I met my beloved Aunt Becky I was actually helping my uncle move her in with him. I was so glad he had found such a wonderful woman. The minute I met Aunt Becky I instantly loved her. She just had that ability, to make you love her instantly. I always admired that about her. I'm so happy I was there to witness their marriage I was so happy that she was officially my aunt! That love grew over the years, my Aunt Becky has been, my most favorite person in the world! She always made me feel loved, sometimes when I really needed it. Its like she knew. I instantly loved my new cousins Danny and Steven, sweetest kids ever! When my cousin Alyssa was born I loved her the second I saw her! Her gorgeous blue eyes! I knew she was gonna be gorgeous the second I saw her lol! I always loved to go spend the night with my aunt and uncle, I got spend time with them and grandma, since they lived in the same area. I was visiting my aunt one day and I was sitting on her couch and Alyssa being I think about 2, of course she's totally curious about me, some who she doesn't see that often, she's hooked to my hip lol. So I'm sitting there and Alyssa grabs my hand and starts wiggling around and, no joke I am not exaggerating, twirls her body in toward me and then out, dance move perfectly! I almost cried I was laughing so hard! Aunt Becky and grandma too! We couldn't believe it! Aunt Becky said "she's never done that before"! And she said she never did that again! Its moments like these that I'll never forget and hold very close to my heart. I love u Aunt Becky, your in my heart forever, you'll be my favorite person forever! Say hi to grandma and great grandma and tell them I love them both and I'll see them again when my punch card is up.

Love,
Mandy May

“ I will cherish dancing to *Pour Some Sugar On Me* at her youngest daughter's wedding Alyssa with her sisters Bonnie and Judy who are my cousins also. Little did I know, it would be our last dance. I have many fond memories growing up together, since we were only 6 weeks apart, I'm the oldest and I reminded her of that often! Talking about what boys we had crushes on in grade school, teasing her younger sisters until Aunt Louise had had enough! To name a few. You will be missed dear cousin.

“ Becky's love for *Def Leppard* ❤️ When hearing she had never seen them live, I jumped on the chance of sending her to one of their concerts when they came to town. In my mind she had to see them! I am thankful I was able to give her that. I will hold it in my heart always! My thoughts and prayers go out to her family and friends ❤️
