“ I had the pleasure of working with Rich for quite a few years at US Bank. He was always so helpful and a joy to work with. I was very nervous when he retired as his depth of knowledge was immense. He had a great sense of humor - I can still hear his laugh! The entire Rosales Family is in my thoughts and prayers.

“ Deepest Condolences to Rich's family. I had the pleasure of getting to know Rich over the last 30 years. We were on a "user board" together and had many fun times... and we think shared some wisdom! I had the pleasure of working with Rich directly over the last few years. Rich was a very wise man and great to work with. Rich will be missed by many. Rob Myhre
