

## Ronald C. Bowen

November 16, 1925 - November 24, 2011

Ron was a man who loved life to the fullest. He was born to Nigel Bowen and Pearl Bowen (Barclay) and was raised in Portland off 110th and Stark Street. Many will know him through his years at Russellville Grade School, and then Franklin High School (Portland) where he lettered all 4 years in Baseball, Basketball and 3 years in Football (he was inducted into the PIL hall of fame). Ron had a very interesting and challenging life being born in 1925 and raised through the depression. He was an only child with the exception of his Uncle Wiley who was raised alongside him. After finishing High School, Ron had a minor league contract to play baseball in hand when he was placed into service during WWII. He initially was sent over with the Army Infantry, and then re-assigned to the Air Corp once arriving in Italy. WWII was very private to him, and he never discussed in detail what he did- he was always thankful for making it home and the sacrifices that others made for his freedom.

After his service in the Military, Ron went onto play minor league professional baseball with many different teams. He also managed minor league baseball teams before settling down and becoming a Fireman (Firefighter). Back in his days they were known as Fireman. Ron retired after his career of 25+ years at Milwaukie Oregon Fire Department.

Ron had three children (still surviving), Steve, Susan and Scott, along with 5 grandchildren and one great grandchild. He is survived also by two half

sisters, and his companion Bev. He was preceded in death by his Mother and Father and all his Uncles.

Most people, who passed through his life, became his friend. He was blessed to have a lifelong companion in Bev Madden- the beginning and end of his life. The names are too numerous and surely many will not get written down, but men like Don Manthey, Don Ham, Marv Rasmussen, the late Steve Troy will always be in the families heart as examples of what true friendship and commitment is.

Ron enjoyed any activity outside and most enjoyed hunting and fishing even up to his death. He was never afraid to work, and his hands (that anyone remembers) were huge paws that could still crush you when he shook your hand. He made everyone around him smile and feel like family when out on the river or while sitting on the porch smoking his pipe with a cup of coffee. He always made time for his grandchildren and always cherished his time with his children.

The families of Ron Bowen wish that no flowers be sent. If you wish to send a note, please utilize the on-line guestbook and we will receive it. Dad asked that we would have a small memorial with family. He asked for a simple and practical end to his life- which is fitting to the way he lived his life.

“ I spent many years with Ron at the Milwaukie Fire Department. At  
the beginning of my career he was one of the best officer I had the  
opportunity to work under. He had the ability and sense to know  
when it was time to be serious and when it was time to have fun.

“ I always enjoyed being around Ron and enjoyed his humor. I work a little with Ron at Milwaukie Fire Department and every shift and call was an experience. I enjoyed his kids when they came to the station to see their dad and could see the special relationship he had with them.

*I am sorry for their loss, I am sure Ron will be missed but will live on through the hearts of his family, friends, brothers and sisters of his firefighter family.*

“ Ron Bowen was well liked by all who came into contact with him here at the swimming pool. He always brought such joy and laughter to the pool atmosphere. I will tell you that I will miss him. He loved to tease the girls, make us tow the mark, and his one and only made up exercise by Ron. Two yellow barbells and a noodle under his legs, swimming backwards with his get up on, made him loose 20 lbs. LOL

*There will never be another Ron Bowen.*

“ I feel so bad that I did not get to visit with Ron after he retired. I had the privilege to meet him while serving as Assistant Chief, Fire Marshal at Milwaukie. I will never forget his quick smile and williness to be of service to his community. May God have him in the glory of His arms....and may he rest in peace.

“ Ron, I am very sorry to hear of your passing, I had the pleasure to work with at Milwaukie Fire Department. You and a very few of the old guys taught me what it was to be a fireman- a man of honor, kindness and strength. God Bless You.

*To the family, I remember you all, when you would visit, come to dinners at the station or when I would stop by while Ron would be off duty. I am sad to hear of his death.*
