“ *Deepest condolences to Val and the family. Despite not getting quality time with Uncle Ron due to our distance, I knew him very well by the love of his wife, brothers, sisters, and family who told stories each time we were together; he was a wonderful person. I wish we could have spent more quality time together and look forward to the day we will. Rest in peace, Ron.*

“ Ron and Valerie were long-time good friends of ours. Al and Ron worked together in Beverly Hills. Our families camped together at Lake Cachuma. Ron and Valerie spent time with us at our mobile home at Lake Isabella. We vacationed together in Cancun, which turned into quite an adventure. When Ron and Valerie moved to Oregon, Al and I visited a few times camping at the river. We took jet boat rides and road trips, but most of all we enjoyed our friendship. Great memories - Great friendship! Ron, you will be missed. Valerie, our love and friendship are with you,

Prayers and love to Val, her children, grandchildren & great grandchildren. As a brother Ronnie was great, didn't see him much after they moved to Oregon, but it always was a pleasure to see him when we could get together. You will be missed. Had great times at Indy car races at Ontario raceway. Enjoyed when we when camping at Carpinteria beach. He was there to help fix my bike(actually his bike) lend us his van and watch our children when our youngest was born. Thank you for being my brother❤️❤️❤️ love always, Tom, Mary, Brett & Sarah.
