“ I worked with Roy for 10 years at Emergency Medical Services at Multnomah County Health Department, as well as in AFSCME Local 88 where we were both stewards. I appreciate Roy's service to both agencies. If it weren't for Roy, we wouldn't have an EMS Archive of many thousands of documents from the 1960s onward that illustrate the fascinating development of the County's EMS and 911 systems. Roy knew that someday it would be valued, so he kept EVERYTHING. Thank you for that, Roy. My condolences to his family and loved ones.
