

## Sharon Lyn Alexander

April 1, 1946 - February 7, 2021

Sharon Lyn Alexander was born April 1, 1946 in Oklahoma to George and Mary Delk. She met Kenny at age 13 not knowing he would be the love of her life. She graduated from Dominguez High School in 1964 and a year later she started building her family once she married Kenny on February 6, 1965. They ended up having 3 beautiful children Greg, Steve, and Kara.

It's so hard to comprehend that she is gone and will be gone forever and will only be in our hearts and in our memories. But Heaven is rejoicing, a beautiful new angel among them now! And Sharon is once again with her Kenny, the love of her life and with the Lord she loved so dearly.

She had an amazing day the evening of her passing. She was surrounded by all her children, joking with the family over Super Bowl predictions. She watched the game, enjoyed a good dinner knowing radiation was to start again the next day, then went to her room to rest. Her breathing became labored, so they called 911. When the ambulance took her away, in the typical Sharon style, she was smiling and reassuring the family she would be okay, they would probably bring her right back. Her heart stopped at the hospital. They did CPR for close to 30 minutes but were unable to revive her, determining it was a blood clot that went into her lungs. The emptiness and heartache we have for her loss is coupled with the joy we have knowing she is at peace; she is with her beloved Kenny and with her Lord. I'm crying with

tears of sadness for us and smiling at the same time, knowing she is now at home forever. Sharon was ready to go, knowing she on borrowed time with the cancer but most off all thankful for the wonderful life she has had. She counted her blessings every day and Gods love shined through her examples of living life in a meaningful way, every day. It is so hard when God takes those we love. We question why, when she was such a light to the world, then again, we smile, knowing that she is surrounded in peace and love, with no pain or anxiety. Sharon was one of Gods greatest treasures and will now be smiling down on us. May Gods love and his blessings be with you, as you too mourn our loss.

Things that Sharon was known for:

She was always utilizing coupons to find every discount possible.

(Don't worry Mom, we even received a discount for your funeral as well.)

She was SO giving:

A hug

A smile

A piece of candy

Encouraging Words

She was a great listener and gave great advise (mostly because she would always be on your side) :) People would actually hesitate to mention an idea or something that needed to get accomplished because she (with her energy) would act so fast your head would spin.

She would always look at the joys of her life her Grands and Greatgrands each night before bed.

She gave 110% to anything she did. She tried her very best and was very successful at not missing anyone's Birthday, Celebration, or Sporting events.

She truly was an amazing woman, wife, mom, grandma, great grandma, and friend.

“ Sharon was warm, loving, generous and always had a positive attitude about everything and everybody. Her personality was perky and she was always ready to go anywhere. She had wonderful words of encouragement and if there was a way for her to help a friend or a friend of a friend’s friend or family member she would find a way to help. Her number one importance in her life was her family. Yes, the entire family immediate and extended. My favorite memory was setting up a table for a craft fair with her!!! If I didn’t know better I would have thought they were all personally invited by Sharon because there was not one person that went by our table that she didn’t know their name and if there was one, she would have known it before that individual reached the end of the table I can guarantee it!!! Fun, gentle & loving. She will never be forgotten. Thank you Sharon for all the good you have shown me.

“ I met Sharon in 2016 through my work with the City of Gladstone. Our paths crossed over a dispute she had with the city’s purchase of a piece of property. We sat down over coffee to see if we could come to a resolution. Sharon was well prepared and was a great advocate for herself. She was also genuinely interested in the well-being of others involved, including the city and its officials and staff. After talking for a while and making progress we went our separate ways, but not before I received a couple Hershey’s Kisses and a warm smile from Sharon. In the years that followed, I always looked forward to seeing her. The candy she gave out was nice, to be sure, but her smile and easy way with a laugh was what I most appreciated. My sincere condolences to Greg and the rest of the Alexander family. Sharon was a gem and I’ll miss her.

“ I still can’t believe my friend is gone. I will miss her smiles, hugs, and our conversations, as we did each other’s hair monthly. She was always ready to help me, or others, when they needed help! We always said we would be doing each other’s hair, with our walkers. I am sure she is happy, being reunited with Kenny. She will be shining brightly, and looking down on her family, as she loved them deeply. Until we meet again, rest in heavenly peace 🙏
