“ *Just heard--my heart is heavy. Steve was that kind of man you hoped your child would grow into: strong, kind, loving and generous. I don't recall ever arguing with him...he simply offered a strong handshake, bear-like hug and one of those oh so wondrous grins. I will remember and cherish each moment I was given to be in his company. And--Annette--what a super lady she has been to him. You two deserved so much more time together. All my love.... Greg*
