“ *Becki, We are so sorry about the passing away of your lovely mother, Syble Redwine. We plan to make a donation to one of our charities in her name. We send our comfort to you and the rest of the family. Love, Ann T.*

“ *Thank you Syble. Your kindnesses, your laugh and your wisdom meant so much to me as a young girl in need of a friend....whom I found in your daughter...Becki.*

I have many fond memories...and one is a favorite memory about a conversation with you about the vegetable okra!! It still makes me smile when I think about it. Your grace and compassion were your strengths.

Our prayers are with Becki and Chuck and families.

God Bless You.
