

Tamera V. Davis

December 27, 1958 - March 22, 2017

Tamera was born December 27, 1958 to Jerald and Janice Hooge in Klamath Falls, Oregon. She attended school in California and Washington before graduating from high school in California. She married Jeffery Davis in 1979, and they moved to the San Francisco bay area where they had two children, Brian and Jennifer. In 1995, they resettled in Oregon City.

Tamera was involved in her local church and AWANA program, where she worked with teenagers in youth groups and summer camps. In 2001 she had a kidney transplant due to polycystic kidney disease. After her transplant, Tamera felt she had a new lease on life. She began studying horticulture at Clackamas Community College and graduated with an associate's degree. Then she began working at Clackamas Community College in the computer science and enrollment services departments. She also served as president of the Classified Association for several years. After twelve years, Tamera retired from CCC in 2016.

Tamera has three granddaughters and one grandson. Her love for people has also led her to "adopt" teenagers from church, students from CCC, and others who she felt that she could help. Everywhere she went, she made friends, whether it be her co-workers or the cashier at the grocery store. She was known for her easy laughter, her openness with others, and her love for God.

She passed away on March 16, 2017 in Portland, Oregon and was surrounded by her immediate family.

There will be a memorial celebration of her life at 3pm on Sunday, April 2nd at Oregon City Christian Church. (1179 South End Rd, Oregon City, OR 97045). Instead of flowers, donations in Tamera's memory may be sent to House of Myrrh Ministries (<http://heartchange.org/giving/>) or World Concern (<http://worldconcern.org/>).

“ *I had the honor of going thru HeartChange with her and follow up workshops. She drove me home many times. I enjoyed Taing with her. Her hugs were so special and she made each one of us feel special when she spent time with us. Whenever I see a cocker spaniel I will be reminded of her. She had once said that the Holy Spirit was like a cocker spaniel eager to spend time with us. I will never forget this precious woman!*

“ *Tamera brought goodness to many, including her classmates, while she earned her degree in Horticulture. As the instructor of so many of the classes she completed, I am smiling as I remember the many many friends she made and the wonderful times we shared. My thoughts are with her family.*

“ *Tamera gave the most amazing hugs ever, just when I needed it. Her hugs spread heavenly healing balm. Last time she hugged me and I cried because I was so moved emotionally about a gift I was being given, she told me not to cry, and when Tamera instructs there's something in me that always knows it's a word I need to follow. By following her advice I learned to live in the moment and increase my joy. Her bubbly free laughter will always fill my soul with joy as I think of her and look forward to dancing with her in heaven!*

“ This picture is of us at the Bethel concert we got to attend together last August. We first met for dinner and then went to the concert together and had an amazing time worshiping our Creator together. I'm going to miss Tamera's constant beating heart for others, the way she knew just what to say to bring a smile to my face, and all the ways she challenged me to be a better person. I miss my friend who I would reach out to when I just needed someone to talk to and make me smile. Yet, I am so thrilled to know that she is pain-free, dancing her heart out and giggling the whole time!

“ *New Years Eve, we went to "dinner and a show" in Vancouver, Wa. It was amazing to share the time with her and just be zany together. Tamera was a breath of fresh air to me and I loved to watch people be so dearly blessed by her touching her life. She is a candle gone out far too soon, yet I know she is dancing with Jesus as we speak and she is happy. God bless her and her family.*
