“ Tom you lived your life to the fullest, enjoying every moment, loving your family and creating memories that you have given to them that will remain in their hearts. Tammy and Steve you were so fortunate to have the love of your Dad, his support and guidance in your life. I do believe that he lives on and will always be by your side and in your hearts. Having faith in that will give your comfort when you miss him most because that is when you will know he will always be with you.

“ What a Great photo gallery..! Been a long while since I've seen you but you were always a very welcoming funny guy with a great sense of humor! The one thing I always knew for sure was how much Tammy loved you, you could always tell by how she spoke of you. My heart goes out to your family as I know how much you will be missed!
God Bless..
