“ *It's so hard to accept that you left us so early and so sudden, but you will never leave our hearts! You were my best friend in childhood, and I'm so thankful we reconnected, even tho we missed a lot of years. I'll always be very thankful for the time we had! You were always a kick to be with, and I always felt energized and positive after our visits or phone calls. I will miss that, but I feel very lucky you were (and always will be) my good friend! We will see you again eventually, buddy! I send my heartfelt prayers to all of your family and friends! It is a loss for all of us. But, Thom's spirit lives on always!*
