

Trilyn Janet Jordan

February 22, 1959 - October 1, 2022

We are heartbroken to announce the death of our sister, Trilyn Janet Jordan. She passed away surrounded by her loved ones.

Our sister led a very full life. Skydiving at age 40, bungee jumping at age 50, ran in numerous marathons, and one triathlon. She was a great storyteller and public speaker, invited to speak at large AA conventions and for OSHA. Trilyn loved to travel and got a bucket item completed by going to see Saint Bernadette of Lourdes in France. Favorite travels were Galapagos Islands, Spain, and Costa Rica. She spread kindness and love where ever she went and will be missed.

Trilyn was born in Torrence, CA on Feb 22, 1959 and died in Tualatin, OR on Oct 1, 2022. She is preceded in death by her father John Hathaway, mother Renee Pietila, and brother Kent Hathaway. She is survived by her children Amy Jo Allphin and Lee R Jordan, son-in-law Dan Allphin, grandchildren Jacob, Wyatt, Cody Allphin, and Lucas, Lily, Dean Jordan. Sisters: Chris, Wanda, Mary, Heather and Tameray.

Brothers: Mitch, Tim, Glen, Jay, Alex, and Ted. And many other beloved family members.

“ *Triyn , and I traveled from Boise Id to Las Vegas NV and she spoke to the Longview Container sites along the way. We talked about AA and how it changed our lives. She will be missed. Thoiughts and Prayers for her family. Best Regards, Clark W Hislop*

Clark W Hislop - October 31, 2022 at 07:05 PM

“ *I met Trilyn briefly in the Portland area. She was sweet and funny, never hogging the spotlight or complaining. She showed me great kindness after an injury. My love to the family.*

Irene Smith - October 31, 2022 at 04:44 PM

“ *I remember you in RCIA class. You were such a positive person and friend. I'm very sad to hear you have passed. My deepest sympathy and prayers.*

DA

“ I'm gonna miss you aunt T. All the times you took my brother and I, when we were little, to Portland to show us the architecture and Art all over the city. It inspired me to want to travel and taught me that beautiful things are all around you, you just have to know how look for it.
