Vicki Ruth Dingman Wilkinson was born on May 15, 1953, in Portland, Oregon and passed away on October 20, 2025, in Portland, Oregon. She was only 72 years old and will be missed greatly.

Born to Guy (Mike) and Jessie (Ruth) Dingman, she was the oldest of 2 children. Growing up Vicki enjoyed camping; traveling on family vacations; and playing the accordion. Vicki attended Marshall High School in Portland where she continued to play the accordion. During her time at Marshall, Vicki met some friends who would turn into lifelong friendships that she treasured dearly.

She worked at Boyd's coffee company as an equipment technician for 15 years (1984-1999).

Vicki loved spending time with her children, grandchildren, great grandchildren, her sisters, friends, and was looking forward to the birth of her newest great grandchild due November 2025. She also enjoyed trips to the beach, the smell of lilacs blooming, and long talks on the phone with friends & relatives. Of great joy to Vicki was her frequent trips to Minnesota to visit extended family. She also loved animals with all her heart and finally fulfilled her lifelong dream of owning a horse in 2013.

She is survived by her 3 children Richard (Ginger), Tim (Susan), and Jeremy. Her 8 grandchildren, Melissa, Vanessa, Calin, Alexis, Ayesha, Shaylee, Xavier, and Olive. “ Vicki was more than just a friend, she was like a sister to me. Her support and friendship made me who I am today. For that I will always be grateful. I will miss our long talks and time we spent together.

“ So many memories of Vicki and I growing up together, from summer bean picking to shopping for our family at Christmas time. Going to Red Barns stables to ride horse's, Roller skating, taking hikes at Mt Taber park, and sit for hour's just talking. We were each other's Bridesmaids had our children back to back, we loved going Fishing with the kid's, and in our older years, the love for the Beach and sitting in the quiet and meditating to the ocean sounds and reading a good book and coming back home but first stopping at Dairy Queen for ice-cream. Vicki was the Queen for Sci-fi movies.no matter how corny some of them were. 🥰 I will cherish all the memories we had built in our life long time together.
