“ *What a wonderful life she lived. Loving wife and mother. Girl scout leader, secretary. She loved flowers and exotic plants, a great gardener. She loved to bake goodies and make Christmas candy as well as Christmas liqueur. Loved riding horses and could mount one from the rear. Hunting for antiques and the history behind them. Keeping her chickens was her most recent hobby. She was a kick to talk with. She will truly be missed! Now she's with dad and her other daughter Karen. We love you mom. Unfortunately due to Covid 19 restrictions her memorial is postponed to a later date.*
