

Walter Watson Emery III

March 12, 1971 - June 10, 2018

Walt passed into the arms of his loving Heavenly Father on June 8th. Walt was our beloved, kind, compassionate, genuine, SO gentle son, brother, uncle, nephew, cousin and friend. We are thankful that he is now in his Father's House, free to express his beautiful soul, and to experience the joy and fullness of eternal life. We will miss him until we are all in our Father's House together again.

A Celebration of Walt's life will be held at 1 p.m. Friday, Aug. 17 at Rolling Hills Community Church, Tualatin OR, followed by a more extensive time of sharing at 4 p.m. on Cooke's Butte in Lake Oswego

“ *Hello,*

My name is Tim, I am a US Peace Corps Volunteer currently living and working in Thailand. Walt was my counselor for a few years while I lived in Portland and I was heartbroken to find out about his passing. We had stayed in touch up until last June and I was about to reach out again when I saw this notice. I am so sorry to hear about your loss. Walt was such a calm, compassionate presence and he helped me out so much when I needed it the most. My thoughts are with his family and want them to know that his work continues to make a difference for me every day.
