“ Please accept my condolences for the loss Mr. Hauck. I know first hand how difficult it is to cope so it's my prayer that you find comfort in loving memories, photographs and from one of my favorite scriptures because it talks about pain and death being done away with - Revelation chapter 21 verse 4. Believing this helps me and I hope it helps you also.

“Most truly I say to you, the hour is coming, and it is now, when the dead will hear the voice of the Son of God, and those who have paid attention will live.”, Jesus stated.

May Our Savior words comfort you today and the days ahead. You are in my prayers.
