“ *What I loved about Bill was that for all his gruffness you know he loved his family and friends very much. He was loyal, true to himself and honest. The fact that Bill liked me always felt like a compliment. I will really miss seeing him at the gym. I loved giving him a hard time and he always gave it right back.*

“ *Bill never failed to crack me up! He tried so hard to be a "grumpy bear", but I always knew he was a sweet, loveable teddy bear. I never knew another person who was so sure of who he was and what he stood for. Bill was a one of a kind guy who will be sorely missed.*
