“ *What I remember most about Yolanda was her wit. She could always make me laugh and smile. Her thoughtfulness towards others especially around the holidays. She was a wonderful person to work with. I will always keep her in my prayers.*

“ Yolanda, my friend, my sister, You know how much I miss you. You was the first best friend I had working at OCDC. You know and knew how much I appreciated your all these too many things you did for me; you was my guide, my mentor, the person who scolded me and advised me when it was needed, either at work or in my personal life. Many unforgettable moments I did spend with you , learning from you and you great experience living here in the US.

Thank you so much for the sincere friendship you always provided to me.

You will be in my mind and my heart forever.

I love you my friend, and God bless and receive you in HIS Glory AMEN!
